

Central TIS Holiday Toy Drive with Toys for Tots

Central is excited to announce our partnership with Toys for Tots to help bring smiles and happiness to children in need this holiday season!

[The Marine Toys for Tots Program](#) has been delivering a message of hope to less fortunate youngsters since 1947. Since inception, the Toys for Tots program has distributed more 604 million toys to 272 million less fortunate children. This community action program takes place in more than 800 communities covering all 50 States, the District of Columbia, Puerto Rico, and the Virgin Islands.

Central Turf and Irrigation Supply is proud to be part of local communities throughout the U.S. and we are thrilled to be able to help Toys for Tots reach their goal this year! **Doing good, feels good.** Everyone is invited to stop in and leave a **new-unwrapped toy** in the designated box at one of our many Central locations across the U.S.

Locations are listed on the Toys for Tots online directory of drop-off locations. You can find a Central Turf and Irrigation site near you by visiting https://www.toysfortots.org/request_toys/.

The donation drop-off period at Central locations will be from November 15-mid December, 2021. After this time, the wonderfully filled box of toys will be on its way to making a child's holiday bright.

Giving back is such an important part of Central's culture and values. As a company we always try to do better—whether that's for ourselves, our communities, our customers, each other, or the industry. We are excited to partner with you on this important opportunity to make a difference.

Sincerely yours,

Tanya Murphy
Director, Marketing
