

## Accounts Receivable

---

If you've never been one to shy away from a tough conversation, we want to speak to you! Our contractors are our lifeline but sometimes the administrative burdens of their business (like paying their invoices) are put aside. You are the gentle reminder, the one to explain the billing cycle, and the one to help them problem solve.

YOU ARE NOT A PUSHOVER, but you do know how to get results! If you have great communication skills and prior A/R experience, you can be a member of our winning team!

## Who is Central?

Central Turf & Irrigation Supply is the largest family-owned and operated, multinational supplier of irrigation, landscape, agronomic, sustainable products, lighting, hardscape, and grounds care equipment—with more than 60 locations in the U.S. and Canada. Established in 1990, Central is a solution-focused partner for residential and commercial landscape professionals, offering the largest quantity of in-stock inventory in the green industry. For the contractor, by the contractor—Central provides professional and business development resources from large-scale design services and technical support lines to training and marketing services.
