

## Assistant Branch Manager

---

It's so exciting to see your career come to life, especially as an Assistant Branch Manager. Although you have considerable industry knowledge already, at Central you will have amazing learning and development opportunities at your fingertips.

Plus, when you join our Central family, you know we are behind you, supporting you in your growth and in your green-industry career. You will make mistakes, we all do – but you will know that it is a part of your learning and our management will be there to show you the Central way.

### Who is Central?

Central Turf & Irrigation Supply is the largest family-owned and operated, multinational supplier of irrigation, landscape, agronomic, sustainable products, lighting, hardscape, and grounds care equipment—with more than 60 locations in the U.S. and Canada. Established in 1990, Central is a solution-focused partner for residential and commercial landscape professionals, offering the largest quantity of in-stock inventory in the green industry. For the contractor, by the contractor—Central provides professional and business development resources from large-scale design services and technical support lines to training and marketing services.
