

Category Expert

You have deep knowledge in a specific green industry area and are considered the “go-to” person by everyone you’ve worked with. Plus, you are personable and driven to succeed... you may be successful as one of our Category experts. Make your next career move to Central!

Using your knowledge, you will grow our business by focusing our sales efforts and helping our contractors succeed in their businesses. We will enhance your success with top-of-the-line training and leadership development. This is the Central Difference!

Who is Central?

Central Turf & Irrigation Supply is the largest family-owned and operated, multinational supplier of irrigation, landscape, agronomic, sustainable products, lighting, hardscape, and grounds care equipment—with more than 60 locations in the U.S. and Canada. Established in 1990, Central is a solution-focused partner for residential and commercial landscape professionals, offering the largest quantity of in-stock inventory in the green industry. For the contractor, by the contractor—Central provides professional and business development resources from large-scale design services and technical support lines to training and marketing services.
